# AT REST.

Another Pettis County Pioneer Passes Away.

Death of Judge Wm. Lowry Near Haghesville.

He Lays Down Life After a Long and Useful Career.

Yes'e day the sad intelligence reached the city that Judge Wm. Lowry, one of Pet:is county's fo-emost and most respected citizens was no more, he having passed peacefully and quietly away at the ripe age of 71 years, surrounded by his offspring, relatives and friends, and all the comfor's that perseverance, integrity, industry and a we'l spent life bring as their reward in this world.

Mr. Lowry was born in Prince William county, Virginia, November 13, 1814, and like most of the old stock of that section, bore blue blood in his veins. His paternal grandfather who was born in the Castle Lowry, Ireland, being a worthy representative of the old feudal fami'v of that name. there the father of the deceased, Joseph Lowry was born and reared. In 1818, when William was four vears old, his father removed to southern Kentucky, where William was raised. In his fifteenth year William engaged in steamboating on the Mississippi river, which he continued until 1852, rising by his merit and indomitable energy to the position and reputation of one of the best captains in the southern trade. In 1852 be withdrew from this busines and located permanently with his family at Louisville, Kentucky, where he engaged in the manu clear \$100,000 in five years. In 1858 his short-horns ever held in Sedalia. But for tobacco works were destroyed by fire and number and display of stock, general athe then removed to Pettis county, Missouri, tendance and smoutt of sales it will comwhere he purchased 1,000 acres of land, on pare favorably with any other ever held in ing on the farming and stock raising busi-ness, though from 1863 to 1867 he carried on a heavy freighting business in the points in the state for such annual dispos-

# A Mad Dog Plays Havoc With Farm Stock.

Tackles a Deer Driving Sheep.

It is Defended by Its Hound Companions.

A Number of Bitten Animals Die of Hydrophobia.

Mac Hoffman resides seven miles east of Sedalia. He is a prosperous farmer and like all prosperous Pettis county farmers he keeps a large amount of stock, consistirg of cattle, horses, hogs and sheep about his place. He is, however, fond of hunting, and keeps in addition a number of hounds, which is a rare thing in these days, but would scarcely be worthy of note but for a peculiarity connected with them in the shape of

#### A DEER HUNTING SHEEP.

A few years since Mr. Hoffman found one of his lambs without a mother. It was taken to the house and tenderly cared for. It soon became very docite and made free with everything about the yard and premises, among which were the kennel where the hounds found shelter. To this his lambship took such a foncy that he made it his lodging place. At first Mr. Hoffman feared to allow it to remain there, but finding it persistent and that the hounds made no objections, it was allowed to have its way and soon became the constant and fa-Waldo, No. 54,218, bull, bre I by M. # RAILWAY JOTS.

-T. L. Dunn having resigned, W. R. Woodward was Wednesday appointed General Superintendent of the Louisville, New Albany & Chicago railroad.

-General Solicitor Brown, of the Missouri Pacific, went to Nashville, Tenn., in his private car. He will remain away until he has nursed his broken arm back to health again. -P. R. Kennedy, superintendent of the

way at Kansas City for the past thirteen -We are not inclined to favor breeding years, has severed his connection with that -General Manager Talmage of the Wa-

> -The following is now posted on the bulle in boards at the railroad offices in

SEDALIA, May 1. On and after this date brakemen on head and Mrs. T. W. Bryan, aged two years, freight trains will receive \$60 per month. nine months and twenty-seven days. Fu- Brakemen on through freight trains will neral from the residence 1217 Kentucky receive two cents per mile. Brakemen on work trains will be paid \$2 per day.

-The people of Appleton City are considerably elated over the almost assured Owing to the fact that patrons and the fact of the building of a railroad between public generally have been mislead by the that city and Rich Hill over the grace of similarity of names existing in the music the St Louis, Emporia & Westera rai'--Ben C. Wood, of the Kansas City trade of this city, and that those intending 101d. which was begun and part'y comby the said similarity of names or other- of the Missouri Pacific were there Thursday and w.nt over the route, and it is said that negotiations are now pending for the F. Egger, of that city. The road runs through the richest coal fields in Bates

# Darkies' Day.

Yesterday was mating day among the colored people, no less than three couples having been granted the proper legal documents permitting them to splice fates for life. They were Henry Crews and Lucy Wright, of Sedalia; George Holliday and Emma Williams, of Pettis county, and paper in Sedalia receiving William Johnson and Nettie May, of
